Please carefully read the following information before signing and dating this disenrollment form.

If I have enrolled in another Medicare Health Plan or Medicare Prescription Drug Plan, I understand Medicare will cancel my current membership in Kaiser Permanente on the effective date of that new enrollment. I understand that I might not be able to enroll in another plan at this time. I also understand that if I am disenrolling from my Medicare prescription drug coverage and want Medicare prescription drug coverage in the future, I may have to pay a higher premium for this coverage.

If you have selected to have Medicare prescription drug coverage from Kaiser Permanente, by disenrolling from Kaiser Permanente you are also disenrolling from Medicare prescription drug coverage. You generally may only change to a new Medicare drug plan during certain times of the year. If you do not have Medicare drug coverage, or other coverage that is at least as good as Medicare drug coverage, you may have to pay a penalty in addition to your plan premium for Medicare drug coverage in the future. For information about drug plans available in your area you can call **1-800-MEDICARE (1-800-633-4227)** 24 hours a day, seven days a week. TTY users should call **1-877-486-2048**.

For Employer Group/Trust Fund members only: I understand that my disenrollment from Kaiser Permanente Senior Advantage may affect my employer group or trust fund coverage, and I must also contact my Group Benefits Office to complete the termination process.

For Federal Employees Health Benefit (FEHB) Program members only: The choice you make will not impact the benefits you receive through the FEHB Program. Coverage for the FEHB Program is described in your FEHB brochure. Your choice will affect the additional benefits you receive as a member of Kaiser Permanente Senior Advantage for Federal employees.
